Heather and Sam,

I guess this one is for you. Would somebody from Duke Energy Progress please help us out and file these tariffs in our e-tariff system as revisions to existing tariffs? For some technical reason, with the system as it stands, this is the only way we can actually get the tariffs officially reviewed, and, hopefully, approved.

Thanks in advance for your consideration in this matter.

Regards,

David Butler

David,

Could you please let somebody at Progress know that these tariffs are not new and therefore need to be submitted into the e-tariff system as revisions to existing tariffs?

Thanks,

JP
